COMMUNITY DEVELOPMENT CONFERENCE 2023
14–15 SEPTEMBER 2023 | CROWN PERTH

AN INVITATION TO PARTNER

Local Government Professionals WA would like to invite you to be a partner in the 2023 Community Development Conference, 'Stop! Collaborate and Listen'. Corporate partners play such an important role in our events. They enable us to attract influential speakers and maximise the participation of our members, especially those in regional and remote areas. As a corporate partner you will take comfort in knowing that you will be investing in the knowledge and skills of the community development sector and the support provided to local communities.

Partnership of this conference offers you a significant opportunity to link with influential leaders and staff from local governments across the State. The partnership opportunities outlined in this package offer a range of exposure levels at the conference which I hope suit your needs.

I urge you to secure your place as a corporate partner as soon as possible. The earlier you commit to be involved, the sooner you will be able to benefit from the exposure offered. We look forward to your support and seeing you at the 2023 State Community Development Conference.

Chairperson – Paul Gravett
Manager Community, Town of Victoria Park

ABOUT THE LG PROFESSIONALS WA 2023 COMMUNITY DEVELOPMENT CONFERENCE

The conference is titled 'Stop! Collaborate and Listen'.

Presentations will be of a participatory nature, and be delivered in a variety of forms.

The 2023 Community Development Conference is a major event in the local government industry calendar. The conference will be held at Crown Hotel, Perth, on Thursday 14 September to Friday 15 September.

This event promises to be another high calibre event attended by over 120 delegates from all corners of the state, including senior decision makers, local, state and federal government representatives, academia, key community organisations and community service agencies.

DELEGATE PROFILE

The delegate profile is varied, comprising key decision-makers and stakeholders from local government with representation from federal and state government, academia, community organisations and the service sector.

Partners will have the opportunity to meet and develop links with these people.

Attendees will include:

- Community and cultural development workers.
- Chief Executive Officers.
- Directors.
- Senior representatives from state and federal governments.
- Representatives from peak local government and social and cultural policy organisations.
- Academics.
- Social, cultural city planners; and
- Representatives from non-government organisations.

A minimum of 120 delegates has traditionally attended this state event.

The conference proceedings will commence from 8.45 am on Thursday 14 September and finish at 3.30 pm Friday 15 September at Crown Perth.

Networking Drinks will be held at the conclusion of the conference.

Morning tea, lunch and afternoon tea will be served each day within the Partners trade area (afternoon tea on Thursday only).

LG PROFESSIONALS WA BRANCHES AND NETWORKS

LG Professionals WA has 11 Branches and 10 Networks in Western Australia who meet throughout the year. Branches of LG Professionals WA are formed based on regional locations and Networks are formed through areas of expertise.

Each Branch and Network has an executive Committee including a President and Secretary and members who are Local Government officers and members of LG Professionals WA.

LG Professionals WA works together with Branches and Networks to:

- Plan and develop conferences and seminars. (These Partnership opportunities are mostly through trade show displays or keynote partnership of a conference session with a chance to address delegates.)
- Help set meeting agendas and peer networking opportunities. LG Professionals WA have a number of Local Government industry partners who prefer to meet with Branches and Networks on a smaller scale in their regional area. LG Professionals WA offers industry partners the chance to be introduced to these groups at local meetings by the LG Professionals WA CEO or by an LG Professionals WA Board member.

LG Professionals WA Administration are advised of Branch meetings and events as they are planned. If you would like to attend an LG Professionals WA Branch meeting or event and address Branch members contact Viola Jacobs. (Note: there is a small charge to attend but this opportunity is only available to current industry partners.) Or visit the LG Professionals WA website for information on LG Professionals WA Branch and Networks activities and events.

LG PROFESSIONALS WA NETWORKS

This network promotes Age Friendly Communities principles as a fundamental requirement to develop accessible and inclusive communities. The network: promotes an Age-Friendly approach to planning; encourages collaborations and partnerships between local government, state government, the not-for-profit and private sector; and shares best practice and innovative approaches to developing age friendly communities.

This network is for all officers who work in areas such as marketing, internal and external comms, digital media and community engagement. The purpose of the network is to: facilitate knowledge and information sharing; provide opportunities for professional development; network with like-minded peers; raise the profile of the profession to reflect the critical role it plays in each local government; and recognise each other's achievements.

The network's aim is to provide leadership, support and professional development to people working within the Community Development and Community Services sector across WA. The network run regular meetings to plan and organise Professional Development Events, including their popular biennial conference, which cover a variety of topical issues relevant to both regional and metropolitan local governments.

The CPN's strategic aim is 'To establish and maintain a network group to improve corporate planning practices in Local Government'. The CPN's key initiatives are to achieve the following goals: bring together people with an interest in corporate planning; share knowledge to improve integrated planning; position the CPN as a group of influence and impact.

This network includes local government professionals working in positions such as Executive and Personal Assistants and other Support roles. These officers play a crucial role in assisting CEOs and Directors with a huge number of tasks and help to ensure projects and deadlines stay on track. This network will be a peer support and professional development network group for Executive Support Professionals working in local government.

The Finance Professionals Network is the peak body serving Local Government Finance Professionals in WA. The network has two committees—one for the planning and development of the Annual Finance Professionals Conference and a Technical committee who discuss issues affecting the Local Government Finance Sector and plan Professional Development events accordingly.

This network brings together Local Government Professionals with a focus on corporate governance. With a commitment to improving governance practice through shared information and experience, the group aims to organise regular professional development and networking opportunities throughout the year.

This network includes all officers who work in areas such as Human Resources, Organisational Development, Workplace Culture, Workforce Planning, Training and employee services. This network will provide: formalised professional development opportunities; opportunities to discuss human resource practices on a strategic level; and support for practitioners in the sector and opportunities to influence legislative change through advocacy work.

The Volunteering Network aims to strengthen and promote volunteerism in local government sector and communities through the exchange of ideas and information, fostering trust and collaborative partnerships.
